Our Syrah is rich and full-bodied with a deep garnet hue. Lush, round tannins give the wine a solid structure that is softened by notes of plum and cocoa. Enjoy with dark chocolate, blue cheese, or roasted meats. Starting with grapes grown on organic family farms, this wine was crafted in accordance with the USDA organic winemaking standards, with no added sulfites. We ferment our wines with traditional yeast. All Frey wines are organic, from the vineyard, to the cellar, to the table. No preservatives. Store in a cool place.
