

# ICELANDIC WINTER ALE

## EMBRACE THE WINTER

In Iceland, winter is not something we fear, it is something we embrace. Especially when it signals the return of our extremely-limited Winter Ale, ready to be shared around a plentiful table or a roaring fire. Brewed with hand-cut and whiskey-cured spruce tips along with smoked Icelandic barley, this is the perfect brew to compliment your sagas of conquest and survival.

**HOPS:** BAVARIAN NORTHERN BREWER

**MALTS:** PALE MALT, CRYSTAL MALT, CHOCOLATE MALT
