Foris Pinot Noir 2023

"If you're a fan of lighter-bodied Pinot Noirs that show restraint in alcohol and no such restraint with acidity, **this perky number should be on your "buy lots" list.** The wine's aromas are a perfect combination of fruit and savory, with Bing cherries, black-pepper, leather, and pulled pork flavors holding court. With **flavors like cranberries, raspberries, Honeycrisp apples and paprika**, you will be pleasantly occupied by trying to sort it all out. **You get a lot for your money with this crisp wine.**"
