Marziano Abbona

Dogliani San Luigi 2021

"The 2021 Dogliani San Luigi offers up a **beguiling mix of dark red/black fruits, grilled herbs, new leather, licorice, incense, tobacco and scorched earth.** This brooding, savory Dogliani packs quite the punch. There is a bit of rusticity in the flavors and tannins, but nothing that can't be handled by pairing this with similarly hearty fare."
