

# BODEGAS Y VIÑEDOS ILURCE

## RIO MADRE ROSE

*D.O.Ca. Rioja*

**DENOMINACION DE ORIGEN:** D.O.Ca. Rioja

**LOCATION:** The winery is located in Alfaro, in the heart of Rioja Baja.

**VARIETAL:** 100% Garnacha

**VINEYARDS:** Several proprietary vineyards planted in Alfaro, Rioja.

**YEAR(S) PLANTED:** 1997

**VITICULTURE:** The vines are planted in the espalier trellis system. The vineyards are entirely maintained by hand and are harvested manually.

**SOILS:** Chalky alluvial soils.

**CLIMATE:** Continental climate. Extreme temperature swings between day and night and limited precipitation.

**WINEMAKING:** The grapes are sorted at the winery after the harvest. The color is extracted by a light saignée. Temperature controlled fermentation in stainless steel by indigenous yeast.
