Protocolo Tempranillo 2023

“From low-yielding vineyards in Castilla-La Mancha, the 2023 Protocolo Tinto **spent only three months in barrel**, made entirely from Tempranillo (or Tina del pais as it’s known in the region). It offers a **leathery, dried-fruit character and appealing rusticity, the tannins quite supple**. Medium-bodied, it’s built to be approachable upon release, finessed, fluid, and **full of enduring freshness**. Drink now.”
