## Ramirez de la Piscina Blanco 2017

“(all stainless steel) Pale, green-hued straw. Bright and sharply focused on the nose, **displaying fresh citrus fruit and floral scents and a strong suggestion of dusty minerals.** In a lithe, racy style, offering light-bodied lime and green apple flavors that show sharp delineation and back-end cut. Finishes long and nervy, with resonating citrus fruit character and a faint touch of fennel.”
