BREWERY INFO: Green's beers have been brewed in Lochristi, Belgium at the highly-respected DeProef Brewery since 2004. Inspired by strong European beers and developed to a closely guarded secret recipe, these specialty beers are brewed with a full body, crisp taste and a refreshing flavor, losing none of the taste but all of the allergens. Green's Beers are suitable for both Vegetarian and Vegan diets. Green's beers are made from gluten-free ingredients and DO NOT contain any of the following allergens or products thereof: Gluten, Crustaceans, Eggs, Fish, Peanuts, Soybeans, Milk, Lactose, Nuts, Celery, Mustard, Sesame seeds, Sulfur dioxide nor Sulfites.

INFO: The dubbel style originated in Belgium, possibly as a "second style" offered for sale by monastic breweries. Green's Endeavour Dubbel is the world's first version of this style made with no barley - it is produced from all gluten-free ingredients.

TASTING NOTES: In the classic dubbel fashion, a hint of dark-sugar and toffee flavor; and a traditional Belgian yeast bouquet.
