BREWERY INFO: Green's beers have been brewed in Lochristi, Belgium at the highly-respected DeProef Brewery since 2004. Inspired by strong European beers and developed to a closely guarded secret recipe, these specialty beers are brewed with a full body, crisp taste and a refreshing flavor, losing none of the taste but all of the allergens. Green's Beers are suitable for both Vegetarian and Vegan diets. Green's beers are made from gluten-free ingredients and DO NOT contain any of the following allergens or products thereof: Gluten, Crustaceans, Eggs, Fish, Peanuts, Soybeans, Milk, Lactose, Nuts, Celery, Mustard, Sesame seeds, Sulfur dioxide nor Sulfites.

INFO: Green's recent domination at beer competitions (the 2014 World Beer Cup, US Open, World Beer Championships, FreeFrom Food awards, more) and growing demand for hoppy IPAs inspired this dynamic, exciting addition, introduced in summer 2014. Green's gluten-free IPA is made from gluten-free ingredients - not processed to remove gluten.

TASTING NOTES: Inviting amber-red color with full body. Aroma is bold hops with herbal and piney notes; flavor is nutty and firmly bitter with hints of caramel.
