0.500

**BREWERY INFO:** Green's beers have been brewed in Lochristi, Belgium at the highly-respected DeProef Brewery since 2004. Inspired by strong European beers and developed to a closely guarded secret recipe, these specialty beers are brewed with a full body, crisp taste and a refreshing flavor, losing none of the taste but all of the allergens. Green's Beers are suitable for both Vegetarian and Vegan diets. Green's beers are made from gluten-free ingredients and DO NOT contain any of the following allergens or products thereof: Gluten, Crustaceans, Eggs, Fish, Peanuts, Soybeans, Milk, Lactose, Nuts, Celery, Mustard, Sesame seeds, Sulfur dioxide nor Sulfites.

**INFO:** "Tripel" is a style that was originated by Westmalle Trappist Brewery in the 1930s, when they began to sell Westmalle Trappist Tripel. Rich and full-flavored, tripels are satisfying beers beloved by beer aficionados. Many breweries now produce a tripel, but a tripel made from all gluten-free ingredients, without barley, is a particular accomplishment.

**TASTING NOTES:** Fairly light body for beer of this strength; spice and herb nose with flavors of candied fruit. Aromatic, long finish.
