

# 90 POINTS WINE ENTHUSIAST.

## Lindemans Strawberry

“A new selection in Lindemans' fruit lambic lineup, this boasts the same fruit-forward yet refreshing and well-balanced experience as the brewery's other offerings. It's brimming with **oodles of fresh strawberry aroma and flavor, complemented by a distinct vinous character and lively, tart acidity on the slightly slick palate.** Though sweet and juicy, the finish is clean, with a lingering sour accent.”
