"Intoxicating, mouthwatering scents of caramel-dipped raisins, rich vanilla, fresh coconut and earthy-sweet tobacco. Thick caramel pours onto the tongue and carouses with raisin and sherry flavors as the swallow washes back. Mid-sip, woody oak notes infuse the drink with earthiness, lending a sophisticated, aged quality to the profile. Molasses weaves through the back before drying alcohol ushers the flavors from the palate. Complex and stunningly balanced, this old ale is perfection in a glass."

"...we were startled how good it is ... a complex symphony of tastes, rich & full, with layer upon layer of rich caramel and toffee interspersed with lush fruit." -Modern Brewery Age, Sept. 17, 2009
