Dubuisson Scaldis Caractère

ABV: 12% | IBU: 25

As the name indicates, the Scaldis Amber is a crystal clear, amber-coloured beer. The nose picks up surprising aromas of ripe fruits including **banana, touches of 'cuberdon' sweets (Belgian raspberry gum sweets) and above all caramel**, which is also noticeable in the taste. You get a full-mouthed beer with a bitter-sweet taste and a trace of liquorice in the finish.
