

Ca' Furlan

PROSECCO ROSÉ

“Pale salmon color. Sweet and spritely aromas of lemon peel, watermelon rind, with verbena, crushed sweet tarts and floral perfume. On the palate, this is dusty and chalky with well-woven sugar.

***White peaches, raspberries and lemon tones mix with sea salt and floral perfume.** Medium sweetness is balanced well, this is a fan friendly and fun and impressive for the price – nothing cloying here.”*
