

90 POINTS VINEPAIR

Ca' Furlan

PROSECCO ROSÉ

"This is a wild pink Prosecco. It smells like all the red berries and the aroma of walking into a cheese shop. It's earthy and heady, and there's a nice mineral note running through the palate to balance everything out. This is a refreshing wine and, with the mineral and fruit, would do well paired with pizza or even a wine and cheese party."
