**Phinca El Vedao 2018**

"I found strong aromas of spices and herbs in the 2018 Phinca El Vedao, which comes from two plots in the El Vedao paraje in the village of Elvillar where there's a lot of Garnacha. It's 14.5% alcohol but has kept quite high acidity, close to seven grams. ***It's medium-bodied, fine-grained and tightly coiled, with a chalky sensation.*** It fermented with some 40% full clusters in concrete with indigenous yeasts and matured in 400- and 500-liter oak barrels for one year. 2,400 bottles produced."
