Bhilar Blanco 2020

"The certified organic white 2020 Bhilar Blanco comes from their own vineyards in the village of Elvillar that are also biodynamic (but not certified) and plowed by horse. The palest of their whites, it's a blend of Viura, Garnacha Blanca and Malvasí. The nose opens with **notes of flowers, pollen and quince followed with a mellow palate and a soft texture, warm and rich.**"
