Plani Arche Grechetto 2022

“The 2022 Grechetto is distinctly savory in style, as stone dust gives way to **crushed almonds, dried flowers and traces of nectarine**. This reveals its inner sweetness on the palate, **crisp and pure, with ripe orchard fruits and honeyed inner florals**. A salty sensation lingers, contrasted by confectionary spice. Baked pear nuances slowly taper off. While many of the descriptors in this note may lead the reader to believe that this is a rich and powerful wine, **the real magic is in its lift and grace**. What a beautiful Grechetto.”
