Plani Arche Montefalco
Sagrantino 2019

"The 2019 Montefalco Sagrantino is dark and brooding, with **a smoldering blend of cherry sauce, grilled herbs and dark chocolate** forming its bouquet. It floods the palate with **textures of pure velvet**, weighty yet refined and polished in feel. A dense wave of **ripe red and black fruits slowly saturates**. Youthfully monolithic, yet with complexities lurking beneath the surface, this finishes staining, structured and long with a pleasantly bitter tinge that lingers on. All of the right components are in place for the 2019 to enjoy a long maturation, but patience will be required."
