

BOURGOGNE ALIGOTÉ SILEX 2023

VIGNERONS DE BUXY

ABOUT THIS WINE

Vignerons de Buxy produces the Bourgogne Aligoté exclusively from Aligoté grapes grown on limestone soils. The wine is aged in stainless steel vats, preserving its freshness and minerality. With notes of brioche, fresh fruit, and hazelnut, it pairs well with seafood and white meats.

TASTING NOTES

Pale golden color with bright glints. Fruity nose of brioche and fresh fruit, leading to a lively mouthfeel with white floral and hazelnut aromas. Aromatic persistence of great finesse.

VINIFICATION

Bourgogne Aligoté is made entirely in stainless steel vats to preserve its freshness and liveliness.
