

90 POINTS WINE ENTHUSIAST

Clouston & Co.

Sauvignon Blanc 2019

“This Sauvignon was fermented and aged on its lees in a concrete egg and finished in old French oak. A heady, perfumed **combo of orange, lemon, lime and honey-suckle** leads on the nose. The effect of the winemaking on the palate is profound. Layers of texture—both chalky and creamy—are lifted by **vibrant acidity and tangy fruit**. A refreshing and balanced drop with a charming personality.”
