Sauvignon Blanc 2023

The nose shows lemongrass, kaffir lime and red grapefruit... Hints of **crisp nectarine, rich nougat and citrus rind** evolve on the back of the nose. The palate begins **fresh with bright peachy fruit, pineapple and is plusher than expected** once it hits the midpalate. The finish has a driving acidity that is cuddled by hints of fruit sweetness, leaving the mouth watering for another sip.
