Decibel Sauvignon Blanc 2023

“We all know the Sauvignon Blanc from New Zealand’s premier wine region, Marlborough, for its intense, distinct flavor profile. But have you tried Savvy B from the northern island’s Hawkes Bay region? **The wine is calmer and more mineral-driven than its southern counterpart while not skimping on personality.** This example from Decibel has a waxy nose with quiet spikes of green and white pepper and fresh apple aromas. The palate is **bright and refreshing with some added grapefruit notes and a nice balance between fruit and acidity.**”
