

Koyama Pinot Noir Waipara, New Zealand

The grapes were sourced from two different vineyards in Waipara Valley, both situated in the center where the soil is called 'Glacial Gravel.' These free draining stony soils bring the good rich aroma for the wines. Natural yeast fermentation in open top vats. Aged for 18 months in French oak barrels (10% new). Bottled unfined and unfiltered.

The wine has soft, rounded tannins and is very easy to approach. Aromas and **flavors of pink cherry and red stone fruit.**
