WINE ENTHUSIAST

Lava Cap Zinfandel

'Reserve' El Dorado 2022

"The El Dorado AVA has always been known for high-elevation Zinfandel. The highest peaks are at 2700ft, so **the fruit is rich and concentrated but with full flavors that are not saturated.** The fruit is ripe in this selection, with bramble raspberry, blackberry, clove, and floral notes on the nose. The flavors on the palate are **boysenberry, dark plum, grilled orange zest, chicory, and dusty tannins to finish.** Aerate and Drink."
