WINERY OVERVIEW

Domaine Brazilier is situated in the heart of AOC des Coteaux du Vendômois, in Thoré-la-Rochette, which is located halfway between Vendôme and Montoire-sur-le-Loir. Benoît Brazilier represents the seventh generation of winemakers in his family. In 1997, he started his journey as an independent winemaker alongside his father, Jean, who is now retired.

The vineyard spans 25 hectares, of which ten are family-owned, having been mostly replanted by Jean over the past 25 years. A total of fifteen hectares fall under the Coteaux du Vendômois appellation, but they also produce Vin de Pays varieties using Sauvignon Blanc, Chardonnay, Pinot Blanc, and some Gamay. For the appellation wines, they cultivate four hectares of Chenin Blanc, five hectares of Pineau d'Aunis, and seven hectares of Cabernet Franc, with a couple of hectares dedicated to Pinot Noir as well. Domaine Brazilier practices entirely organic farming.

All the wine produced here is made in caves that were carved out of the limestone hillsides during the 12th century.

VINEYARD

Situated between Vendôme and Montoire, Coteaux du Vendômois stretches across the banks of the Loire. An AOC since May 2000, Coteaux du Vendômois have a historic reputation...Ronsard, Balzac, Henri IV were particularly fond of these wines.

TERROIR

Chalk and limestone

VITICULTURE

Brazilier's vineyards are farmed organically. This wine stems from vines averaging 20 years old. The fruit is harvested with a machine that selects during harvest, delivering only grapes to the cellar. Yield 50 hl/ha

VINIFICATION

The grapes are directly pressed in a pneumatic wine press and fermented in stainless steel at cool temperatures with selected yeast. The wine is not fined, filtered by kieselguhr. Total SO₂ 80mg/l

AGING

Stainless steel

TASTING NOTES

Round and delicious, showing notes of white peach, almond, ripe pear. Pair with freshwater fish, seafood, cheese.
