Meadowcroft Napa Valley

Cabernet Sauvignon 2023

“The 2023 Meadowcroft Cabernet Sauvignon from Napa Valley shows a deep purple core framed by a glowing violet rim. The nose layers **blackcurrant, ripe plum, spiced fig, and clove** with undertones of leather, cedar, and damp soil. The **palate is plush and harmonious, offering flavors of blackberry and cassis** wrapped in polished acidity. Medium to full-bodied, it carries firm, chalky tannins that provide structure while maintaining balance. **The finish is smooth and flavorful**, though slightly clipped, making it a polished and satisfying wine.”
