La Fiorita Brunello di
Montalcino 'Fiore di NO' 2016

"Fiore di No is sourced from two vineyards, Pian Bossolino, and Poggio al Sole, from which it is only produced in the best vintage. The 2016 Fiore di No Brunello has more savory aromatics of cherry pit, fresh Mediterranean herbs, anise, and cedar. The palate has a balanced and firm structure that is forward with **ripe red plum, fresh tobacco, and balsamic, giving way to building tannins and warming spice.** Allow 2-4 years in cellar and enjoy 2023-2032."
