La Fiorita Brunello di Montalcino 'Fiore di NO' 2016

"La Fiorita's 2016 Brunello di Montalcino Fiore di No shows a saturated and nicely enriched presentation with dark ruby highlights. Compared to the estate's classic Brunello, this special selection offers increased concentration and density with **blackberry and cherry highlighted by spice**, campfire ash and grilled herb. The fruit for this wine comes from three sites: the best part of Pian Bossolino, Poggio al Sole and Giardinello. But like the other wine, Fiore di No has that distinctive sweet spot with **cherry, candied orange and sweet baking spice**. This limited 3,200-bottle release is characterized by brightness, linearity and increased focus."
