Verdicchio di Matelica 'Le Salse'

Le Salse is the second wine that we found in our hunt for high-quality local daily-drinkers from regional varieties. Verdicchio is the white wine of the Marche (central Italy, along the eastern coast). *It's our response to the ocean of Pinot Grigio that has washed up on U.S. shores: refreshing, versatile, glug-able, but with the real character that most Pinot Grigios lack.*

Racy with good minerality. Tangerine and green apple round out the body.

A thirst quenching, easy going, versatile white for those who want something more than Yet Another Pinot Grigio.
