Luigi Tecce Campania Rosso  
'Puro Sangue' 2018

"The 2018 Aglianico Puro Sangue R18 is hauntingly dark and perfumed, as a **smoky blend of flowery underbrush and savory herbs gives way to steeped plums**. It's soft-textured and lifted in feel, showing the finesse of the vintage with brisk acidity and mineral-drenched red fruits that flow throughout. This finishes long yet surprisingly fresh, with a coating of gritty tannins that resonates without hindering the 2018's lively persona. **The Puro Sangue R18 is not to be missed**. It shows the mark of the season, yet the hands-off Tecce style has allowed the vintage to speak beautifully through this wine."
