

Walter Massa - FUSO Rosso Piemonte 'FUSO'

The label may say *Vino Rosso*, but it is still delicious Barbera from Piedmont winemaker, Walter Massa's own vineyards in Colli Tortonesi. Do not miss this **terrific natural wine value** — **Chemical-free vineyards, minimally filtered, and low sulfites. It is a bright, medium-bodied, fresh style, that is perfect for pizza, red sauce pastas, Mediterranean flavors, or burgers off the grill.**

Like all reds in the FUSO project - good with a slight chill.
