

Domaine Ilarria Irouleguy Rosé

70% Tannat, 30% Cabernet Franc

The New York Times

“Who said you shouldn’t drink rosé after Labor Day? Even though this (Illarria) is a longtime favorite rosé, I’m still surprised by its quality each time I open a bottle.” – Eric Asimov

Organically farmed, this wine is savory and mouthwatering, but **dry and more “mineral” than fruity. Great for holiday feasts!**
