

SMOOTH, SUBTLY SMOKY. MADE TO SIP!!!

IZO Mezcal Joven

IZO Mezcal is crafted from wild agave grown on the high-altitude mesas of Durango, Mexico, at 8,500ft. Hand-harvested wild Cenizo agave hearts are slow-roasted with smoldering, local oak in lava-lined fire pits. Filtered twice to remove impurities, the resulting artisanal Mezcal Joven is locally crafted from start to finish.

IZO Mezcal is *seductive with a velvety, lightly smoked flavor, offering soft, floral scents of banana and green apples with elegant fruity notes*. Its earthy, subtly smoky flavor and clean finish complement rich, hearty pasta dishes, pair perfectly with a zesty ceviche and can be enjoyed by the sip with an orange slice garnish.

No two bottles are the same. Each custom-crafted bottle features a handmade Onyx stopper sourced from Mexico – a nod to Mexican cultural heritage, and the label is hand-painted.
