

SFERA

Rosso

From the Alps to the Mediterranean, SFERA is a collaboration with small certified-organic farmers to bottle Liters in limited runs.

A kitchen-sink blend of organic Uva Rara, Barbera, Croatina, Pinot Nero and Riesling are co-fermented and treated to 8 days of skin contact before being bottled unfiltered and unfined.

Dry, chillable red with notes of ripe strawberries, candied red fruit, red apple skin. With a light, bouncy palate this finishes crisp and clean. It goes down a little too easy, so two bottles is suggested.
