Bhilar Graciano

'Lagrimas de Bhilar' 2019

"I have loved the nose of the young Graciano since I smelled the first vintage, and the 2019 Lágrimas de Bhilar Graciano, which has changed the name slightly, is no exception. It's floral and perfumed, showy and peppery. Furthermore, I think Graciano ripened nicely in 2019, and this is really very good. **With ripe fruit and a soft palate, this is a young red designed to be drunk early, after spending six months in concrete where it fermented with natural yeasts. Delicious.**"
