Bhilar Graciano

'Lagrimas de Bhilar' 2020

"The peppery and floral 2020 Lágrimas de Bhilar Graciano is expressive, showy and approachable, with a soft texture and a caressing mouthfeel with some fine tannins. **A lot more serious than the price suggests.** It's 13.5% alcohol and has very good acidity. 10,000 bottles were filled in January 2021 after one winter in concrete tank."
