'Lágrimas de Bhilar' 2022

"The 2022 Lágrimas de Bhilar Graciano managed to keep the moderate alcohol and freshness in a warm year like 2022. It was produced with grapes from younger vineyards, fermented in concrete and matured in 8,000-liter oak vat. ***It's aromatic, herbal, spicy and minty, very showy, juicy and with a soft mouthfeel. Delicious and easy to drink.*** 10,500 bottles produced. It was bottled in December 2023."
