WINE SPECIFICATIONS

Varietals: 100% Teroldego
Vintage: NV
AVA: California
Alc / vol: 14.2%

VINIFICATION

Fermented in stainless steel and
partially aged in neutral oak.

KEG SPECIFICATIONS

UniKeg 20L Standard keg coupler
The gas pressure gauge reading
should be between 4 – 10 PSI.
N2 or N2/Argon mix preferred. 25%
CO2/75% N2 blend. (Guinness Gas)
is acceptable.

WHY WE LOVE IT

Our Red Blend is a merging of
opposites. On the one hand, it's
light on its feet, but then in the
background, a raw and brooding
intensity lingers.

PAIRS WELL WITH

Pasta, cured meats,
cheeses, tacos, burgers and
anything chocolate
