

Château La Caminade Cahors 'Mission La Caminade'

Mission La Caminade is a fantastic introduction to Cahors. A blend of mainly Malbec with a dash of Merlot, Mission La Caminade displays aromas of black fruits, violets and earth. In the mouth, it's a textured wine that starts with a **burst of juicy black cherry/berry fruit and then gains complexity from notes of baking spice and purple flowers, finishing with a lovely earthy element and a fine mineral streak.** This is an honest, genuine, wine that shows just how refreshing and vibrant Malbec can be.
