

95 POINTS ratebeer

Gouden Carolus Cuvée Van De Keizer Imperial Blond

Its bright golden color, high alcohol percentage and full and well-balanced taste make this ale a genuine source of vitality and power which will please even the most critical connoisseur. For ideal savoring, gently pour out in one fluent movement, cool but not chilled. Proudly poured it is savored with respect. Those who like a refreshing, heavy and somewhat spicy beer, choose this blonde ale.
