Red Blend 'Anaperenna' 2018

"The 2018 vintage has delivered such strong quality in these full-bodied reds from the Barossa. This has all the ripeness with vitality, depth and freshness. Aromas of blackberries and blackcurrants, as well as leaves and violets, lead to **a very deep, dense and juicy palate that carries such luscious, black and blue-fruit flavors.** Very drinkable now, but better from 2024."
