## Glaetzer Red Blend 'Anaperenna' 2018

“For the 2018 Anaperenna Shiraz-Cabernet Sauvignon, Glaetzer blended in 18% Cabernet Sauvignon to give the wine increased fragrance and length. The nose is smoky, slightly herbal and marked by **sweet cedar- and vanilla-tinged oak, but it also offers great cassis and blackberry fruit.** Full-bodied, rich and concentrated, the flavors are kept nicely in check by fine-grained tannins. This wine has it all: terrific intensity, complexity, length and texture.”
