Tucher Festbier

To many, the festbiers of Bavaria are a liquid voyage to the tents of Oktoberfest. For Tucher, nestled in its home in northern Bavaria and out of reach of the festivals that overtake Munich's fairgrounds each fall, the focus is on Fruhlingsfest and celebrating the end of the cold winter months. *As such, this festbier is brewed as a fuller-bodied helles lager with a slightly louder presence of old world hops instead of a marzen* and is available to festivals year-round! 5.0% ABV
