# TUCHER

## FESTBIER

**Style:** Helles Lager

**Origin:** Nuremberg, Germany

**Description:** To many, the festbiers of Bavaria are a liquid voyage to the tents of Oktoberfest. For Tucher, nestled in its home in northern Bavaria and out of reach of the festivals that overtake Munich's fairgrounds each fall, the focus is on Frühlingsfest and celebrating the end of the cold winter months. As such, this festbier is brewed as a fuller-bodied helles lager with a slightly louder presence of old world hops instead of a marzen and is available to festivals year-round!

**Flavor/Aromatic Profile:** Orange Zest, Whole Grain Cereal, Dried Basil

**Pairings:** Charcuterie, Cotswold Cheese, Grilled Whitefish,

**Availability:** Year-round

**ABV:** 5%
