

STEL+MAR

RED BLEND CALIFORNIA

STEL+MAR celebrates the power of connection, inspired by the friendship of Stella and Marcus. We believe wine should look just as good as it tastes. That's why we work with independent artists to create original label-art designs that are as fresh and striking as the flavors inside. We're passionate about bringing people together through great wine and amazing art, sparking unforgettable moments.

TASTING NOTES

Savor our Red Blend, where each pour is a celebration in itself. This robust wine greets you with a tapestry of dark fruit aromas, weaving together succulent black berry and plum with a hint of spice. A luscious fusion of flavors, it's balanced with a touch of oak and a velvety finish that lingers just right. Perfect for toasting to the everyday wines, enjoying with your closest circle, or just kicking back after a long day. It's not just a glass of wine; it's a gateway to good times and great stories.
