## Sombras del Sol

### “Santa Rosa” Reserva Chardonnay

CHILE, VALLE DE MAULE, VALLE DE MAULE

 WHITE

#### WINERY OVERVIEW

The sun is a powerful symbol of light and life and the source of all energy, and the name Sombras del Sol means "The Shadow of the Sun." Hand-crafted in the heart of Valle de Maule in Chile from the Santa Rosa estate which date back to the 1950s. There is a combination of mainly Bordeaux varieties planted here. The estate is close to the Maule river and the soils are alluvial in origin with a clay texture with plenty of pebbles and round rocks. The warm Mediterranean climate allows for full and healthy ripening of a wide range of grape varieties, and the vineyard has drip irrigation installed for dry years.

#### VINEYARD

Vineyards planted mostly with NW exposition using VSP training techniques and drip irrigation.

#### TERROIR

Alluvial-colluvial origin soil on terraces and slopes of medium-to-low fertility. Good drainage.

#### VITICULTURE

Mechanized nighttime harvest typically during the 2nd week of March.

#### VINIFICATION

Fermentation in stainless steel tanks at an average temperature of 12°C.

RS: 1.27 g/l

Acidity: 5.51 g/l

pH: 3.31

#### AGING

100% in stainless steel tanks.

#### TASTING NOTES

Bright, clear subtle notes of tropical fruit and white flowers. Its slightly mineral profile adds complexity. Fresh and elegantly acidic.
