

Carson Scott

2022 California Pinot Noir:

A Symphony of California Terroir

Experience the refined elegance of Winery Carson Scott's 2022 Pinot Noir, crafted with fruit sourced from the renowned Monterey and Lodi regions. Pouring a vibrant ruby red, this wine captivates with aromas of red berries, cherry blossoms, and a touch of earthiness. On the palate, a harmonious blend of ripe strawberries and raspberries unfolds, balanced by silky tannins and refreshing acidity. Subtle oak notes provide a delicate framework, elevating the wine's fruit-forward profile.

The cool coastal breezes of Monterey, combined with Lodi's sun-drenched days, contribute to the slow and steady ripening of the grapes, enhancing their flavor complexity. Meticulous hand-harvesting and careful fermentation preserve the essence of these distinguished regions, while aging in French oak barrels adds layers of texture and nuance. This Pinot Noir pairs beautifully with roasted duck, wild mushroom risotto, or artisanal cheeses, making it a versatile choice for any occasion.

With each bottle of Winery Carson Scott's 2022 Pinot Noir, you'll discover the remarkable synergy of terroir, craftsmanship, and dedication. Let the unique character of Monterey and Lodi's finest vineyards come to life in every sip, offering a true taste of California's winemaking excellence.
