

DAMIEN MARTIN POUILLY FUISSE 2022

A second-generation vigneron, Robert Martin founded his independent family domaine with five acres in Davayé in 1982. The estate is now managed by his son Damien, who attained a certification in sustainable agriculture, and increased their holdings to nearly fifty acres in some of the top sites of the region. The wines reflect the energy of a passionate young winegrower, and the distinctive, limestone terroirs of the Mâconnais.

92 Pts Jeb Dunnuck

Aged 12 months in neutral barrels, the 2022 Pouilly-Fuissé has a gorgeous perfume of spiced citrus and orchard fruits, honeyed white flowers, and a kiss of sappy herbs. Wonderfully balanced, medium-bodied, textured, and elegant, it's a beautiful white from this estate that will shine for 4-6 years," — JD, 8/8/2023
