Domaine D'Ansignan
Les Grenadines 2022

“The 2022 Les Grenadines (42% Grenache, 31% Syrah, 16% Carignan, and a splash of Maccabeu) is light ruby-hued, with **an almost rosé feel in its pretty strawberry, peppery herb, and violet notes** in a medium-bodied, clean, fresh, and lively style on the palate. It's a deliciously quaffable, impeccably made red to drink over the coming summer months.”
